FUELING YOUR FINANCIAL FUTURE SINCE 1935

Energy One Federal Credit Union is a member-focused institution. We provide this monthly newsletter in an effort to help our members be educated and informed in the financial world today.

Energy One 101

The week of October 13-17 was a very busy one for the Energy One branches. There were health fairs, open houses, and International Credit Union Day was celebrated by all of our branches! We know that you cannot be at every branch to celebrate with them, but thankfully we can share pictures and stories!

Dallas

Our Dallas branch, located inside the Oxy building, officially debuted their new location! During their Open House they gave away cookies, snacks, and prizes. Many members and non-members visited the new branch and marveled at our new look. Branch Manager, Alex, elaborated how being on the first floor has expanded their membership. "The two most common phrases I've heard from potential members are

'Now that you are on the first floor I want to join!' and 'This is great! I didn't even know there was a credit union in the building!' Our current members also enjoy the new location. It is much more aesthetically pleasing," Alex says with a laugh. So if you are in the Dallas area, be sure to check out the new branch and tell us what you think. We always love feedback from you!

on October 14. About 500 employees stopped by the booth to pick up goodies and information. "The collapsible water bottles were a hit," Marco, Bellaire's branch assistant exclaimed. "We had multiple members bring their friends to our booth. They would say 'Now this is the guy you need to talk to about getting your new vehicle.'" It was also great for exposure. A lot of those who came by did not know Energy One was in the building!

A few days later, Marco hosted International Credit Union Day. "Having the Health Fair the same week as Credit Union day was great. We had so many interested employees drop by." Marco has already opened two new accounts because of the Health Fair and CU Day!

Make money shopping!

Are you one of the rare individuals who enjoys holiday shopping? If so, congratulations. If not, we have a solution for you.

How does winning \$150 for shopping sound? The best part is, all you need is your Energy One credit card. Each time you swipe your Energy One credit card starting November 28, you'll be entered into a weekly drawing for \$150 cash! Be sure to swipe as often as possible, because the contest only runs until December 19. You will want as many opportunities as possible to win the green!

Interested in winning but don't currently have an Energy One credit card? No worries! Simply click [here](#) and you can apply for a credit card online. Rates start at 4.25% APR but are subject to credit worthiness. If you have any questions about applying for a credit card or the promotion, contact your local Energy One representative and they will be happy to answer your questions.
