What We Do			
How does Energy One protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.		
How does Energy One collect my personal information?	We collect your personal information, for example, when youOpen an accountGive us your contact informationProvide employment informationShow your government-issued IDProvide account informationWe also collect your personal information from others, such as credit bureaus, IDverification services, or other companies. We may collect information regardingyour mobile device such as device settings, unique device identifiers, informationabout your location, and analytical information that may assist with diagnostics andperformance. For your convenience, you may be asked to grant permission foraccess to your mobile device's geolocation data. This information may be collectedwhen you use certain services that are dependent on your mobile device's location(such as the location of an ATM or in store transactions).		
Why can't I limit all sharing?	Federal law gives you the right to limit only sharing for affiliates' everyday business purposes - information about your creditworthiness affiliates from using your information to market to you sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.		
Definitions			
Affiliates	Companies related by common ownership or control. They can be financial and non-financial companies. Energy One has no affiliates.		
Nonaffiliates	Companies not related by common ownership or control. They can be financial and non-financial companies. Energy One does not share with nonaffiliates so they can market to you.		
Joint Marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. Our joint marketing partners include credit card companies, financial planning and investment providers, and insurance agencies.
