

**Minimum balance requirements:** \$100,000 minimum deposit is required to open the account. \$100,000 minimum daily balance is required to obtain the disclosed annual percentage yield. The rate on this account will automatically be transferred to an Ownership Share rate if the balance falls below \$100,000.

**Daily balance computation method:** Dividends are calculated by the daily balance method, which applied a daily periodic rate to the account balance each day.

**Accrual of dividends on noncash deposits:** Dividends will begin to accrue on the business day a noncash item (a check, for example) is deposited to the account.

#### E1 MONEY MARKET & PREMIER MONEY MARKET ACCOUNT

**Rate information:** The dividend rate and annual percentage yield may change at any time, as determined by the Board of Directors.

**Compounding and crediting:** Dividends will be compounded and credited to the account each month.

**Dividend period:** For this account type, the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the above example is January 31. If the account is closed before the dividends are paid, the accrued dividends are forfeited.

**Minimum balance requirements:** Money Market accounts require a minimum opening deposit of \$2,500 and a minimum daily balance of \$2,500 is required to obtain the disclosed annual percentage yield. Premier Money Market accounts require a minimum opening deposit of \$5,000 and a minimum daily balance of \$5,000 to obtain the required annual percentage yield.

**Daily balance computation method:** Dividends are calculated by the daily balance method, which applies a daily periodic rate to the account balance each day.

**Accrual of dividends on noncash deposits:** Dividends will begin to accrue on the business day a noncash item (a check, for example) is deposited to the account.

**Fees and charges:** A \$10 service charge will be assessed each month if the balance falls below the minimum required balance shown above at any time during the month. Please refer to the separate Fee Schedule.

#### IMPORTANT INFORMATION ABOUT YOUR OWNERSHIP SHARE ACCOUNT

**All members are required to maintain \$5.00 per member in the Ownership Share account. If the balance falls below \$5.00 per member for 90 days, your membership with the credit union will terminate. There is a \$2.00 monthly service charge if the balance falls below \$100 at any time during the month. The fee does not apply to Kid's Cash Club or Student Share accounts.**

#### CONVENIENCE SERVICES TO ENHANCE YOUR ACCOUNT

##### Direct Deposit

Regular payroll checks, retirement checks, recurring government checks, and others can be deposited directly into the account of your choice. Contact your payroll department or the originator of the check. We can help you with government checks.

**OWNERSHIP, STUDENT, AND KID'S CASH CLUB ACCOUNTS**

**Rate information:** The dividend rate and annual percentage yield may change every quarter, as determined by the Board of Directors.

**Compounding and crediting:** Dividend will be compounded and credited to the account each quarter.

**Dividend period:** For this account type, the dividend period is quarterly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the above example is March 31. If the account is closed before the dividends are paid, the accrued dividends are forfeited. Dividends may be declared at 0% from time to time.

**Minimum balance requirements:** \$5 per member is required to open the account and serves as a purchase of one share in the credit union. Ownership and Student Share accounts require a daily minimum balance of \$100 to obtain the disclosed annual percentage rate. Kid's Cash Club accounts require a daily minimum balance of \$25 to obtain the disclosed annual percentage yield.

**Daily balance computation method:** Dividends are calculated by the daily balance method, which applies a daily periodic rate to the account balance each day.

**Accrual of dividends on noncash deposits:** Dividends will begin to accrue on the business day a noncash item (a check, for example) is deposited to the account.

**Fees and charges:** A \$2 service charge will be assessed each month if the balance falls below \$100 at any time during the month on Ownership Share accounts. The fee is waived if other accounts or loans are open on that membership. No service charge will be assessed on Kid's Cash Club or Student Share accounts if the balance falls below \$100. A \$2 fee will be charged for each withdrawal in excess of two per month, if other accounts are held. A \$2 fee will be charged for each withdrawal if no other accounts are held. Please refer to the separate Fee Schedule.

**Par value of a share:** The par value of a share is \$5.

**HOLIDAY CLUB ACCOUNT**

**Rate information:** The dividend rate and annual percentage yield may change every quarter, as determined by the Board of Directors.

**Compounding and crediting:** Dividends will be compounded and credited to the account each quarter.

**Dividend period:** For this account type, the dividend period is quarterly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the above example is March 31. If the account is closed before the dividends are paid, the accrued dividends are forfeited.

**Minimum balance requirements:** \$5 minimum deposit is required to open the account. A daily minimum balance of \$5 is required to obtain the disclosed annual percentage yield.

**Daily balance computation method:** Dividends are calculated by the daily balance method, which applies a daily periodic rate to the account balance each day.

**Accrual of dividend on noncash deposits:** Dividends will begin to accrue on the business day a noncash item (a check, for example) is deposited to the account.

**Transaction limitations:** During any month you may not make any withdrawals or transfers to another account by means of a preauthorized debit, automatic transfer, or telephone order or instruction. If any withdrawal is made from this account before November 1, the account may be closed.

**ESCROW SHARE ACCOUNT**

**Rate information:** The dividend rate and annual percentage yield may change every quarter, as determined by the Board of Directors.

**Compounding and crediting:** Dividends will be compounded and credited to the account each quarter.

**Dividend period:** For this account type, the dividend period is quarterly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the above example, is March 31. If the account is closed before dividends are paid, the accrued dividends are forfeited.

**Minimum balance requirements:** No minimum balance is required to open this account or obtain the disclosed annual percentage yield.

**Daily balance computation method:** Dividends are calculated by the daily balance method, which applies a daily periodic rate to the account balance each day.

**Accrual of dividends on noncash deposits:** Dividends will begin to accrue on the business day a noncash item (a check, for example) is deposited to the account.

**JUMBO MONEY FUND ACCOUNT**

**Rate information:** The dividend rate and annual percentage yield may change at any time, as determined by the Board of Directors.

**Compounding and crediting:** Dividends will be compounded and credited to the account each month.

**Dividend period:** For this account type, the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such period is January 31.
